PLEASE NOTE:

- Stallholders will need to provide all their own equipment such as marquees, tables etc. The Yarra Ranges Council has requested that stallholders do not use pegs as there are cables just below the ground in the area of the market.
- As part of our 'sustainability in action' goal we ask you to avoid using disposable packaging or receptacles or, where unavoidable, they are biodegradable. ECOSS has a wash against waste kit that may be available on the day and will determine shortly for how many stalls it will be used for.
