Chic Boutique

If you fancy yourself as a designer, then this gig is for you. Parade your own stylish creation or find a model to adorn your masterpiece. Dig out the sewing machine and dust off your dressmaking skills and let your creative flair soar. This category is bound to be a showstopper! Materials and fabrics used must be transformed from a previous life form.

Trash Fash

Got any unwanted 'stuff' lying around? Anything you have big collections of that you don't have a use for any longer and can turn into some kind of intriguing design? Perhaps even hunt through your recycling rubbish before it goes out or look around to see what is hanging about in the house, garage or garden. The possibilities are endless for this category. Get carried away with your trash!
